

Vurcon PL-50B x2000 Flat bed lathe

Ref: PLM50 x 2000

Tech specs

Brand	VURCON
Version	2000
X axis travel	280
Z axis travel	2000
Max. gyration dia.	260
Distance between centers	2000
Rod diameter	52
Spindle motor power	11/ 15
Spindle Speed	3500
Nose end os spindle	A2-6
Knife tower capacity	12
Axis stroke	100
Dimensions (L x W x H)	3400x1600x2010
Machine weight	5300

Standard equipment

- FAGOR 8060-FL-T (PPU240)
- Electronic handwheels
- Manual 3-jaw chuck 250mm.
- Manual tailstock
- Main spindle (2.500 rpm)
- Automatic lubrication unit
- Coolant cooling system
- Work area light
- Three-colour machine status light
- Air conditioning in control panel
- Full fairing
- CE marking
